

Member Notice To Opt-Out The Firefighters' Pension Scheme 1992 (FPS1992)

Important Notes:

1. You can only sign and date this opt-out form once you have commenced employment in the post from which you wish to opt-out of FPS1992 membership. You cannot sign and date the form before then, as it will be treated as an invalid opt-out.
2. If you opt-out of membership of the FPS1992, you will be entitled to a deferred pension benefit which, unless you transfer these benefits to another pension arrangement, would normally become payable from age 60.
3. If you decide to opt out of membership of the FPS1992 and subsequently wish to cancel your election to opt out, you will not be able to re-join the scheme, since the FPS1992 is a closed scheme. If you benefit from transitional protection at the date of re-joining, you will join the Firefighters' Pension Scheme 2006 (FPS2006) provided you are under age 75 and you remain in an employment that qualifies you for membership of the scheme. If you do not benefit from transitional protection at the date of re-joining, you will join the Firefighters' Pension Scheme 2015 (FPS2015). A re-joiner form can be downloaded from the website. You may also wish to contact your Human Resources (HR) representative, expressing your wish to re-commence pensionable membership.
4. If you remain opted-out, your employer will normally automatically enrol you approximately three years from the date they have to comply with the automatic enrolment provisions of the Pensions Act 2008. However, subsequent to you being auto-enrolled, you will be entitled to opt-out of membership of the pension scheme. Any queries regarding auto-enrolment should be raised directly with HR.
5. This completed opt-out form should be passed to HR, preferably by e-mailing the form to: hr.support@essex-fire.gov.uk
